For PPL Use Only:

Company Code 2025-Jefferson Twp, Lackawanna Co.    Application Tracking No. 207575

Approved by [Signature]    Date 2020-03-26

Entered by Automated Generation    Date 2020-03-02

General Terms:

- This document serves as a request for attachment to PPL owned poles and a request for make ready work on poles not PPL owned.
- Once signed by an authorized PPL representative and all PPL make ready work has been completed, this document acts as a final permit to attach to PPL owned poles.
- All required make ready work by PPL and Foreign Utilities must be complete prior to attaching under this permit. Final Authorization to attach to a pole not owned by PPL must come from that pole owner.
- PPL reserves the right to revoke this permit if Licensee's attachments are found to be outside of the terms of Licensee's agreement.
