Help Shape North Pocono's Future: Survey Now Open!

Dear Neighbor,
Seven townships and Moscow Borough have joined forces to craft a single, regional comprehensive plan and we **need your input**. Please set aside **five quick minutes** to complete our anonymous community survey at **NorthPoconoPlan.com**.

Your answers will steer:

- Housing options and where new homes belong
- Protection of farms, forests, and open space
- Road, trail, and broadband improvements
- Job growth and small-business opportunities

The survey is confidential and works on any phone or computer. **Every voice matters to this process, whether you've lived here all your life or just moved in.**

Survey tentatively closes on September 30, 2025.

Thank you for helping keep North Pocono's future in local hands,
North Pocono Planning Association Steering Committee.
